

FOR IMMEDIATE RELEASE

ICON Cloud Solutions Awarded a 2019 *INTERNET TELEPHONY* Hosted VoIP Excellence Award

ICON Cloud Solutions Honored For Delivering Exceptional IP Communications Solutions

Coppell, TX, September 23, 2019 — *ICON Cloud Solutions* announced today that they have been named an *INTERNET TELEPHONY* Hosted VoIP Excellence Award winner for 2019.

ICON has been recognized for their hosted communications offering that includes IP voice, video, unified communications and customized monitoring and alerting solutions. “We’ve been excited to develop new features and add them to our hosted and managed service portfolio that already boasted industry leading call quality, security and support,” said ICON Cloud Solutions CEO, Kevin Kelleher. “We’ve seen a lot of customers who decide to move their communications system to the cloud in order to save money, only to find they were able to add inexpensive new communication tools for their employees.”

“Congratulations to *ICON Cloud Solutions* for being honored with an *INTERNET TELEPHONY* Hosted VoIP Excellence Award for innovation in IP communications. *ICON Cloud Solutions* has consistently demonstrated outstanding quality and has delivered exceptional solutions for its customers,” stated [Rich Tehrani](#), CEO, TMC.

The 2019 *INTERNET TELEPHONY* Hosted VoIP Excellence Award winners will be published on [INTERNET TELEPHONY magazine](#) online.

About ICON Cloud Solutions

ICON Cloud Solutions specializes in providing and deploying hosted voice, unified communications and collaboration, and monitoring and alerting solutions in the cloud.
